

POLICY REMINDER

The YMCA at White Rock's Camp Uluwatu is not able to accept participants that are not potty trained. We are not licensed to change participant's diapers. We do not have the training or required equipment to do so. If your child has already been enrolled in the program and he/she is not potty trained we will be happy to give you a full refund. Please take this as a reminder of the current policy. It is for the children's safety that we are not able to provide this service. Thank you for your understanding and helping us build strong kids, strong families, and strong communities.
